

SINGLE MODE

July 2015

MARC:

West Baltimore MARC Station Beautification, Parking Expansion

DESCRIPTION: This project attaches art work to the light poles that were constructed as part of the parking expansion and adds plaques to recognize contributions by significant past community leaders.

IMPACT: Installation of the art work will be scheduled to minimize its impact on MARC customers. Work area will be located in newly created lots C & D.

Monocacy Station Park and Ride Lot Repairs

DESCRIPTION: This project includes repairing & replacing areas of concrete sidewalk and ADA ramps, installation of bollards and new pavement markings for ADA accessible parking, milling and new 2" asphalt overlay of the entire parking lot and entry road, and new line striping throughout the lot.

IMPACT: Some minor work including but not limited to, bollard and signage installation and removal and replacement of sidewalk and concrete curb and gutter, and will be taking place during the week between 9am and 3pm. This may partially close sidewalk areas but great care will be taken in order to always provide an accessible route to and from the station.

Perryville Station Park and Ride Lot Repairs

DESCRIPTION: This project includes repairing & replacing areas of concrete sidewalk and ADA ramps, installation of bollards and new pavement markings for ADA accessible parking, milling and new 2" asphalt overlay of the entire parking lot and entry road, new line striping throughout the lot, and riprap repair of a drainage ditch.

IMPACT: Some minor work including but not limited to, bollard and signage installation and removal and replacement of sidewalk and concrete curb and gutter, and will be taking place during the week between 7 am and 3 pm. This may partially close sidewalk areas but great care will be taken in order to always provide an accessible route to and from the station.

COMMUTER BUS:

Construction of new Waldorf Park and Ride Facility

DESCRIPTION: Roadway widening along Old Washington Road, construction of a new signal at the roadway intersection and construction of a new 484-vehicle park and ride facility.

IMPACT: Roadway widening and signal work will affect traffic on Smallwood Drive and Old Washington Road. The Right turn lane on Smallwood Drive is closed. The impact will be minimal and traffic expected to move smoothly.

LIGHT RAIL:

Gilroy Road Pavement Markings & Signs

DESCRIPTION: Upgrade traffic signs and pavement markings to MUTCD guidelines along Gilroy Road.

IMPACT: Minor disruption to traffic at the back entrance to the Administrative Hearings Building to remove and replace pavement markings.

METRO

N/A

LIGHT RAIL / MARC:

Homeland Security CCTV Phase IV

DESCRIPTION: Install high resolution surveillance cameras to monitor and record activity associated with rail platforms. The cameras are viewable by the MTA Police in real-time. The addition of the cameras will enhance public safety and security at various rail stations; including MARC College Park, Penn Station, and West Baltimore.

IMPACT: Construction occurring on platforms is scheduled to minimize impact on customers.

LIGHT RAIL / MARC / METRO:

AGY EV Charger Installation

DESCRIPTION: Install new dual electric car chargers at the following MTA modal parking facilities: MARC – Halethorpe, Monocacy, Muirkirk and West Baltimore / LIGHT RAIL – Lutherville, North Linthicum and Cromwell Station / METRO – Milford Mill.

IMPACT: Excavation and installation of foundations to support Charging Stations underway. All 8 lots have 2 or 3 parking EV Charger spots closed to parking during construction.

Repairs to Freight Rail Line Structures Statewide

DESCRIPTION: Remove wearing surface on bridge 13.55 at intersection of High Bridge Road and Glanding Road in Queen Anne’s County.

IMPACT: The intersection will be closed and a detour will re-direct traffic.
